REACT JS DEVELOPER

React.js | Javascript | Typescript | CSS | Cypress

Detail-oriented Front End Developer with 4 years of experience specializing in creating and implementing user interfaces using React.js, JavaScript, TypeScript, HTML, and CSS/Sass. Entrusted with pioneering the creation of an internal library due to identified deficiencies in existing solutions. Proven track record in developing unique design systems. Additionally, wrote automated tests for colleagues' tasks using the Cypress framework. Possesses strong problem-solving skills, attention to detail, and a passion for delivering efficient and scalable front-end solutions.

PROFESSIONAL EXPERIENCE

Align Technologies Inc.

September 2022 - Present
